

Year 2 Spring Dialogue & Encounter Shaping belief & Living with difference

This unit enables children to recognise that beliefs shape how people live, make choices and treat others. Pupils will explore how Christians and people from other faiths express their beliefs through words and actions. They will develop an understanding of respect, diversity and belonging, recognising that people can hold different beliefs whilst living peacefully together. Through dialogue and encounter, children will reflect on their own experiences of friendship, difference and community, developing skills of listening, questioning and empathy.

Year 2 Summer Work - To the Ends of the Earth – Are Human Rights Respected?

Students will investigate issues of poverty, inequality, persecution and human dignity through the lens of Catholic Social Teaching. They will evaluate how Christians and other organisations respond to injustice and work for social change. This unit nurtures a **hunger for justice**, challenging students to reflect on their responsibilities towards others and inspiring them to become active citizens who promote the common good as **pilgrims of hope** in an often unequal world.

Year 1 Summer - Galilee to Jerusalem Who is Jesus? Do Miracles still matter?

Students will journey through the life and ministry of Jesus, exploring his identity, teachings, miracles, death and resurrection. They will examine why Jesus is at the heart of Christian faith and consider how his example continues to shape the lives of believers today. Through developing **questioning minds**, students will engage with different understandings of who Jesus is, while growing as **Christ-centred pilgrims of hope** who seek to understand the person at the centre of the Christian story.

Year 1 Spring –Prophecy and Promise What is Truth? Revelation & Experience

In this unit, students core focus is epistemological issues regarding truth, knowledge and belief. Students will explore different beliefs and worldviews and how these can influence individuals to structure their lives. Students will develop more acutely their ability to compartmentalise abstract and difficult information and repurpose this to discuss and debate controversial topics.

Year 2 Autumn - Desert to Garden Making Peace with Pain

Students will explore the realities of suffering, forgiveness, reconciliation and justice in both personal and global contexts. Drawing on Christian teachings and the example of Jesus, they will consider how people can respond to pain with compassion, hope and resilience. This unit encourages students to develop kind hearts through empathy and forgiveness, while cultivating a thirst for knowledge about the causes of suffering and the role of faith in promoting healing and human dignity.

Year 1 Autumn – Creation & Covenant Taking Care of the Planet

In this unit, students core focus will be care for creation, the importance of stewardship and humanities responsibility to care for the planet and all life within it. Students will have the ability to reflect deeply on how the teachings of scripture and the values of Catholic Social Teaching, such as moral action and responsibility can be applied to these areas.
