

September 2026

Dear Parents and Carers

We would like to thank you for the support you have shown as students have returned to school and as we continue our transition into our new building. This is an exciting and significant moment in the life of our school community, and we are very grateful for the patience, understanding and encouragement that families have shown during these first few days.

We fully recognise that the current site arrangements present some challenges, particularly at the start and end of the school day. Thank you for the consideration you have shown in following the guidance, being mindful of the limited access available, and making alternative arrangements for the collection of students off site. Your cooperation has made a real difference in helping us to keep students, staff and visitors safe while the next phase of work continues.

We would also like to thank you for the way in which students have returned in their new uniform. Overall, uniform standards have been exemplary, and it has been wonderful to see so many students wearing their uniform with pride as they begin this new chapter for our school.

There has been one small area where we would appreciate continued parental support. A small number of skirts have been noticeably shorter than our uniform expectations allow. Where this needs to be addressed, please be reassured that conversations with students about skirt length are handled sensitively and appropriately, and only female members of staff speak to students about this matter.

We are proud of the mature and positive way students have returned to school, and we are grateful for the partnership we have with parents and carers. Your support is helping us to establish calm, safe and purposeful routines as we settle into our new building.

If you have any financial difficulties regarding uniform do not hesitate in contacting us on cn_welfare@hccmac.co.uk

Thank you once again for your continued support.

Yours faithfully

Ms E O'Connor
Headteacher
